

## Unitarian Universalist Funding Program

*Fund for UU Social Responsibility*

*2020 GOTV Grants*

*The COVID crisis complicated Get Out the Vote projects, as it did most things. Our grantees pivoted, and accomplished amazing work in extraordinary times. They partnered with a wide array of organizations to encourage and assist voters in casting their ballots. Those organizations included, but are not limited to A Brighter Way, ACLU, NAACP, Reclaim Our Vote, The Friends of Restorative Justice, The League of Women Voters, and Vote Forward.*
